

Old Dominion University College of Arts & Letters

Graduate Student Conference Participation Support Application

The College of Arts and Letters offers support to graduate students who are presenting papers at academic conferences. Funds are limited and are offered on a firstcome, firstserved basis. Please submit this application, along with a copy of the acceptance or invitation, to the Associate Dean for Graduate Studies (demiller@odu.edu) at least 15 business days prior to your proposed travel. (For international travel, please submit at least 30 days prior. N.B. International travel must also be approved in Chrome River. Your department's office staff can help you with this process.) If approved, you must document your travel expenses, and provide all receipts in compliance with University regulations to avoid any delay in reimbursement. Detailed information on travel and reimbursements may be found at <https://www.odu.edu/facultystaff/universitybusiness/travel/guidelines>. Note that memberships will not be reimbursed when these are separate items from conference registration fees. For further assistance, please contact Ryan Robb at rrobbiat@odu.edu.
