3. The taskbar is pinned to the bottom of the screen. To unpin it, right-click the taskbar and select **Taskbar Settings**.

• In the **Taskbar** section, turn off **Pin to taskbar**.

• The taskbar is unpinned and can be moved to any edge of the screen.

• **Pin to start**

4. To change account settings, click the account icon in the bottom-left corner of the taskbar. In the **Change Account Settings** pane, click **Account Settings**. The **Account Settings** window opens.
